Younggee Chin

M.S Student, POSTECH
younggeechin@postech.ac.kr — joshuaii3712@gmail.com —joshuaii3712.github.io

RESEARCH INTERESTS

My research focuses on human-computer interaction (HCI) and human-centered AI, particularly the use of agentic AI to design personalized mental health interventions.

EDUCATION

Pohang University of Science and Technology (POSTECH) — Pohang, South Korea
M.S. in Artificial Intelligence | Advisor: Eunkyung Jo — September 2026 — Present

Handong Global University — Pohang, South Korea
B.S. in Artificial Intelligence, Computer Science and Engineering — March 2021 — August 2026
Summa Cum Laude | Early Graduation (7 semesters)

RESEARCH EXPERIENCE

Health and Human-Computer Interaction (H2CI) Lab — POSTECH
Graduate Researcher | Advisor: Eunkyung Jo — July 2026 — Present

- Investigating human-centered applications of AI for personalized mental health interventions.

Machine Intelligence Lab (MILAb) — Handong Global University
Undergraduate Researcher | Advisor: Heeyoul Choi — June 2025 — June 2026

- Developed an sLLM-based agentic chatbot for on-device environments as a team research project.
- Designed a personalized memory system for chatbot to support context-aware and personalized user interactions.

TEACHING & MENTORING

Teaching Assistant, Marine Corps AI Club Project — Handong Global University
Military–Academic Partnership Program with Republic of Korea Marine Corps 1st Division — May 2026 - July 2026
Faculty Supervisor: Prof. Soyeon Jang

- Prepared and delivered instructional sessions on AI and LLM concepts and technologies.
- Deployed and maintained an LLM inference server providing API access.

Teaching Assistant, ECE20010: Data Structure — Handong Global University
Course Instructor: Prof. Dongkeun Kim — Spring 2026

- Assisted with course instruction and class preparation, and supported student project evaluation and feedback.

Teaching Assistant, ECE20016: Java Programming — Handong Global University
Course Instructor: Prof. Heeyoul Choi — Spring 2026

- Assisted with course instruction and the evaluation of student progress, final projects, and presentations.

Teaching Assistant, ECE20009: Web Development Programming Handong Global University
Course Instructor: Prof. Keumyoung Sung Fall 2026

· Assisted students with development environment setup and in-class exercises, supported course preparation, and conducted a tutorial session.

AWARDS & HONORS

Excellence Award, 25th TOPCIT Regular Assessment Spring 2026

· Awarded by Handong Global University, National Center of Excellence in Software for outstanding performance in TOPCIT (Test of Practical Competency in IT).

Excellence Award, 24th TOPCIT Regular Assessment Fall 2025

· Awarded by Handong Global University, National Center of Excellence in Software for outstanding performance in TOPCIT (Test of Practical Competency in IT).

OTHER EXPERIENCES

Kendo Club Handong Global University
Vice President Fall 2024

· Supported club operations and led training sessions for new members.

Global Department of Student Government Handong Global University
Member Spring 2024

· Assisted in organizing and conducting events for international students and contributed to the English translation of university bylaws and regulations.
